Here's a perfect little project for beading by the pool, or on the beach! Two colors of bugles, one color of seed beads make this simple yet elegant bracelet. And while you're having fun in the sun, it's not too early to think about those holiday gifts! This would make a beautiful and thoughtful present for your favorite, daughter, sister, or girlfriend. Beginners to advanced students are welcome to attend this workshop.

By the end of this class, each student will have completed the majority of the project with enough instruction to complete at home.
