If you've been looking for a project that's both fabulous and challenging, then this is the one for you. This workshop is definitely an event! Learn to make this beautiful piece that can be worn as either a pendant or a pin (the spiral rope necklace is not part of this class). Students must be comfortable with peyote stitch using small beads to take this class. There will be a homework section of peyote to be completed on your own *before* class.

By the end of this class, each student will have completed the majority of the project with enough instruction to complete at home.
